

• Track Record on Offshore Oil & Gas Industry

Projects	Customer	Year	Work	Max Depth (m)
Wenchang subsea cable installation	COOEC	2014	19.3 kilometers static subsea cable installation	123
Huangyan subsea cable installation and trenching	COOEC	2014	3 Power Cables laying for 52.3 Kilometers between Platforms	102
Enping Power Cable Installation	COOEC	2014	3 Power Cables laying for 52.3 Kilometers between Platforms	105
Panyu Trenching and Liwan Grouting	COOEC	2014	Panyu Trenching and Liwan Grouting	108
Huangyan Mattress Installation	COOEC	2014	Mattress Installation/Jacket Leveling Check and Hydraulic compensation	107
Indonesia Naga Pelikam Inter-Platform Cable Link Project	Swiber	2013	Inter-platform Installation of 3 Segments of power cables and umbilicals	85
Qatar Barzan Inter-Platform Cable Link Project	Subtech	2013	Inter platform installation of 6 segments of power and Fiber optic cables	90
KJO	COOEC	2013	17 power cables laying	70
Total E&P Project	Hallin Marine	2011	Chartered as DSV for various activities in oil field	80
Shell Cili Padi Malaysia Project	IEV	2011	31km 11kV inter-platform cable installation & 500m post lay burial	90
Wen Chang Power Cable Repair	CNOOC	2010	Repair the composite power cable	140

Retrofit Anode Installation	Project Iranian Offshore Oil Co.	2007	Chartered as DSV for various activities in oil field	50
Sakhalin Phase 2 Develop Project	Saipem Asia SDN BHD	2006	Chartered as DSV for various activities in oil field	70
HHI PTT Project in Gulf of Thailand	Hallin Marine Systems Ltd.	2006	Chartered as DSV for various activities in oil field	62
Modec Project in Indonesia	Hallin Marine Systems Ltd.	2005	Chartered as DSV for various activities in oil field	85
Chunxiao Power Cable	CNOOC	2005	Installed and Buried 20 km power cable	100
Cuel Campaign Golf of Thailand	Hallin Marine Systems Ltd.	2005	Chartered as DSV for various activities in oil field	
Lamma Gas Pipeline Crossing Mattress Installation	Hallin Marine Systems Ltd.	2005	Chartered as DP2 vessel to support the mattress installation	35
Removal of Riser System on Xijiang Field	Hallin Marine Systems Ltd.	2005	Chartered as DSV to support the riser system removal	100
Malampaya Field Underbuoy Hose Replacement	Hallin Marine Systems Ltd.	2005	Chartered as DSV to replace two centenary anchored leg mooring under buoy hoses	70
Pipeline Post Lay Trenching for Chun Xiao Offshore Oil Project	Tian Jin Tang Gu Marine Engineering Company	2004-2005	Work as trenching support platform for 120km pipeline post lay trenching	60
Lamma Gas Pipeline Crossing Pre-lay Survey	Saipem Asia SDN BHD	2004	ROV Inspection for Gas Pipeline Route Survey	35
Installation of Riser System on Xijiang Field	Hallin Marine Systems Ltd.	2004	Chartered as DSV to support the riser system installation	100
Hui Zhou 19/ 3-2-1 Project	Hallin Marine Systems Ltd.	2004	Chartered as DSV to support pipeline installation; laying of 32km power cable	110
Indonesia Langsa FPSO	Hallin Marine Systems Ltd.	2004	Chartered as DSV to support FPSO survey and flowline disconnection	70
India PY#3 Flowline Repair	Hallin Marine Systems Ltd.	2004	Chartered as Dive Support Vessel to support flowline repair	71
