

• Track Record on Power Utilities Industry

Projects	Customer	Year	Work	Max Depth (m)
Inspection of the Hainan 500kV Cable System	China Southern Grid	2016	survey of the 31 km submarine cable route and repair	100
Jindo_Jeju Cable Survey	LSC	2015	Subsea power cables survey	100
Isla Margerita Power Cable Installation	LSC	2014	Installation and burial of 2 x 35km 132kV power cables	75
Korea Jindo-Jejudo Power Cable Post Burial Operation	LS Cable & System	2012	22km Power cable 3m post burial	60
Korea Jindo-Jejudo Submarine Cable Recovery Installation	LS Cable & System	2012	Installed 15km of bundled cables and 22km of fiber optic cables	60
500kV Hainan Grid Submarine Cable Inspection	EHV Power Transmission Company / China Southern Power Grid	2011	500kV Submarine Power Cable Post-Burial Inspection	100
Voith Power Cable	Voith	2010	Installed 3.5km 11kV power cable for a tidal current turbine system	40
Korea 154kV Power Cable	Haechun	2010	Simultaneous lay a twin 154kV/ 203mm diametered power cable total length 14km	40
Basslink Power Cable PLIB	Pirelli	2005	Chartered as DP2 vessel to support power cable PLIB	-
